

Death is Ended

Chorus

Death is ended

Death is ended

Death is swallowed up in victory!

(repeat)

Verse 1

Behold I tell you a mystery

we will all be changed, changed, changed

In a flash! (even in the twinkling of an eye)

at the last (the trumpet will sound)

and the dead (will be raised imperishable)

and we'll be changed around

The saying that is written will be true!

Chorus

Death is ended

Death is ended

Death is swallowed up in victory!

(repeat)

Verse 2

Our days are like the flowers of the field

The wind blows over and we're gone Gone, gone

Everlast! (but from everlasting)

Everlast! (to everlasting)

Still his love (still his love is for those who fear him)

His promises live on!

The saying that that is written will be true!

Chorus

Death is ended

Death is ended

Death is swallowed up in victory!

(repeat)

Bridge

Thanks be unto Jesus
Thanks be unto God
He has won the battle
Through the power of the cross!
(repeat)

Where oh death (Where is your victory?)
Where oh death (Where is your sting?)
Where oh death (You are the enemy)
but Jesus is my King!
The saying that is written will be true!

Death is ended, yes!
Death is ended, yes!
Death is swallowed up in victory!
(repeat)

Ending

Victory, yes!
Victory, yes!
Victory, yes!
Victory!
