

Where All the Nations Shall Be Healed

We have come to the city where the Father's glory shines
We have come to the banquet where the saints together dine
Now is the season of the harvest
To reap the blessings of the field
We have come to the city where all the nations...

Chorus Where all the nations shall be healed,
Shall be healed, shall be healed

3x

Where all the nations shall be healed

We have come to the city where Christ Jesus is the King
We have come to the river where the saints rejoice and sing
For all their names have been recorded
And in the Lamb's book are sealed
We have come to the city where all the nations... *To Chorus*

We have come to the city where the Spirit fills each heart
We have come to Mount Zion where each saint can play a part
For the rejected are now welcome
The gospel mystery now revealed
We have come to the city where all the nations... *To Chorus*

Outro Shall be healed!
Shall be healed!
Shall be healed!
