

Bring Your Praises to the King

Sing all the earth
Sing a song of the savior's birth
Sing till you hear the sound
Of the heavenly choirs come down, Oh
Angels in the night singing a joyful song
Star is shining bright over the child
So bring your praise to Christ the King
Let your hearts unite and sing

Alleluia, Alleluia, Alleluia, Alleluia
And you will bring your praises to the King!

Then Shepherds rejoiced
When they heard the angel's voice
Now we can understand
The promised gift God planned, Oh
Joy will find a way into your silent world,
Every creature raise an echo of praise
So bring your praise to Christ the King
Let your hearts unite and sing
Alleluia, Alleluia, Alleluia, Alleluia
And you will bring your praises to the King!

Sing all of the earth (*tenor*)
Alle-Alle-Alleluia (*sop/alto*)
Everyone singing and bringing their praise to the King (*all*)

Sing all of the earth (*tenor*)

Alle-Alle-Alleluia (*sop/alto*)

Everyone singing and bringing their praise to the King (*all*)

Joy will find a way into your silent world,

Every creature raise an echo of praise

So bring your praise to Christ the King

Let your hearts unite and sing

Alleluia, Alleluia, Alleluia, Alleluia

And you will bring your praises to the King!
